Re: R&H Oil/Tropicana Superfund Site, San Antonio, Bexar County, Texas

Dear Sir or Madam:

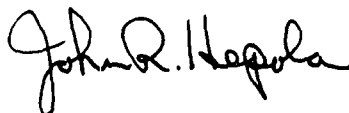

The Environmental Protection Agency (EPA) sent you a *de minimis* settlement offer for the R&H Oil/Tropicana Superfund Site, San Antonio, Bexar County, Texas (Site) pursuant to Section 122(g)(4) of the Comprehensive Environmental Response, Compensation and Liability Act, as amended (CERCLA), 42 U.S.C. § 9622(g)(4). To address issues and concerns about the *de minimis* settlement offer, EPA has decided to hold a confidential PRP settlement meeting for the evening of July 27, 2006 in San Antonio, TX. As of today, EPA has not yet received confirmation for the facility. A letter will be sent once confirmation has been received informing you of the location and time of the meeting. A neutral third party facilitator will be present at this meeting to help address concerns raised by parties. All parties who have received *de minimis* settlement offers, along with their attorneys, are invited to attend this optional meeting.

In the meeting, EPA will provide background information about the Site, discuss the risks posed by the Site and explain efforts to clean up the Site. The EPA will also explain the *de minimis* settlement process. EPA staff will be available to answer questions individuals may have. This meeting is intended to facilitate understanding of the Superfund process and the settlement offer. The offers will still be one-time, non-negotiable offers.

Additionally, because of the meeting, EPA will extend the deadline for accepting the *de minimis* settlement offer thirty (30) days after the meeting. The new response date for all parties will be August 27, 2006.

If you have any questions or comments, please feel free to contact either Kevin Shade, Enforcement Officer, at 214-665-2708 (or [shade.kevin@epa.gov](mailto:shade.kevin@epa.gov)) or I-Jung Chiang, Site Attorney, at 214-665-2160 (or [chiang.i-jung@epa.gov](mailto:chiang.i-jung@epa.gov)). The EPA looks forward to responding to any questions and concerns you may have.

Sincerely yours,

Dear Ms. Chiang:

This firm represents Curtis C. Gunn, Inc. (Gunn), and I am writing to follow-up my telephone conversation earlier today with Ms. Janice Bivens. I called Ms. Bivens to request a 30 day extension of time to respond to the EPA's section 104(e)(2) request for information to Gunn regarding the R&H Oil Site. Although Ms. Bivens tentatively agreed to the extension, she asked that the request be made in a writing addressed to you. Thus, this letter.

Please confirm that the EPA is agreeable to the requested extension by signing where indicated below and returning a copy of this letter to me by facsimile at your earliest convenience. If granted, Gunn's response to the request will be due on or before Friday, August 17, 2001.
